

To Whom It May Concern:

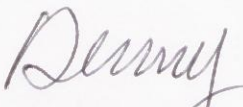

The bearer (or sender) of this letter is a representative of **THE POINT YACHT CLUB**. We are a diverse group that **supports safe boating as well as many family-oriented activities**. Our members represent many Northern Ohio communities, ranging from Toledo to Cleveland and Youngstown. Other members hail from as far away as Columbus, Michigan and Indiana.

Throughout the year we organize various events, including a Blessing of the Fleet in May, a Golf Outing in July and four cruises to Great Lakes ports throughout the summer season.

We fund these events through membership dues and raffles held at many of the above Club meetings. **We need your help to continue the success of these events! Please consider donating items or gift certificates for the raffles held at these gatherings.** Consider it a way to advertise your business. Donors will be recognized by name at each event and items donated will be identified with your business card included.

Please help in any way you can; no donation is too small. You may phone 440-526-6275 (leave a message) or email me (Mcdenny811@AOL.COM) the location where I may collect your donated item or gift certificate. Thank you for considering our request.

Sincerely,

Denny McCreery
PtYC Trustee
